**Fifth Conference of States Parties**

Geneva, 26 – 30 August 2019

## **REPORT ON THE ATT SPONSORSHIP PROGRAMME FOR THE PERIOD 2018/2019**

### **INTRODUCTION**

1. This report has been prepared by the ATT Secretariat as administrator of the ATT sponsorship programme, in accordance with the decision of the Fourth Conference of States Parties (CSP4) to the Arms Trade Treaty (ATT).
2. The report covers the operations of the ATT Sponsorship Programme for the period immediately after the Fourth Conference of States Parties (CSP4) up to the Fifth Conference of States Parties (CSP5).
3. The first part of the report provides an overview of the background to the ATT Sponsorship Programme. The second part of the report provides an update on the financial status of the ATT Sponsorship Programme, as at 15 July 2019. The third part of the report provides an overview of the sponsorship applications received and approved by the ATT Sponsorship Programme.

### **BACKGROUND**

4. The Fourth Conference of States Parties (CSP4) decided to entrust the ATT Secretariat with the administration of the ATT Sponsorship Programme from CSP4 (see paragraph 34 of the Final Report of CSP4 held from 20-24 August 2018 (ATT/CSP4/2018/SEC/369/Conf.FinRep.Rev1)). CSP4 also

‘directed the Secretariat and the Management Committee to elaborate the necessary protocols governing the administration of the ATT sponsorship programme by the ATT Secretariat, in consultation with States Parties and Signatory States, including a protocol to guide the selection process of the ATT sponsorship programme in order to ensure transparency, efficiency and impartiality in the work of the programme’ (paragraph 34 of the Final Report).

#### ***Preliminary decisions of the Management Committee***

5. In accordance with this directive, the ATT Secretariat and the Management Committee elaborated *Draft Administrative Guidelines for the ATT Sponsorship Programme* that included a description of the purpose of the ATT Sponsorship Programme and its operations, as well as Annexes setting out the general principles to be applied to the selection of applicants and financial protocols governing the use of funds.

6. The Management Committee met on 19 November 2018 to consider, among other things, the following in the context of the ATT sponsorship programme:

- a. Draft Administrative Guidelines for the ATT sponsorship programme;
- b. Whether and what provisional arrangements should be put in place to govern the administration of the ATT sponsorship programme pending the formal adoption of Administrative Guidelines by the Fifth Conference of States Parties (CSP5); and
- c. Eligibility for the ATT sponsorship programme.

7. Noting that the protocols governing the administration of the ATT sponsorship programme would not be considered and adopted by CSP5 until August 2019, but that it would be desirable to have a sponsorship programme operating for the ATT Working Group meetings, CSP5 informal preparatory meetings and CSP5 itself, the Management Committee decided that the ATT Secretariat should proceed to establish and administer a sponsorship programme for CSP5. After consideration of prevailing circumstances, the Management Committee decided to apply the draft Administrative Guidelines circulated to States on 21 November 2018 to the sponsorship programme on a provisional basis without prejudice to the final version approved by States Parties, until such approval will take place in August 2019 (CSP5).

8. The Management Committee also decided that unless and until CSP5 decides otherwise, the ATT Sponsorship Programme is available to States only. Furthermore, the ATT sponsorship programme is for the States on the OECD-DAC list as ODA recipients. Limited support may also be provided to small economy States, not listed on the OECD-DAC list.

9. The *Draft Administrative Guidelines* were developed in consultation with States Parties and Signatory States through the two informal preparatory meetings held on 01 February and 05 April 2019, and are presented to CSP5 for consideration and adoption (see Annex A).

## STATUS OF SPONSORSHIP FUNDING

10. The ATT Secretariat opened a bank account dedicated to the ATT sponsorship programme in October 2018 and issued a call for contributions to the ATT sponsorship programme on 18 October 2018 in an effort to raise funds for the sponsorship programme.

11. As at 26 July 2019, the ATT Secretariat had signed four (4) donor agreements, with Australia, the Netherlands, Sweden and Switzerland, in the amount of AUD 50,000 (USD 35,596), USD 56,818, EUR 38,000 (USD 39,146), and CHF 60,000 (USD 60,768) respectively. To date, a total of **USD 192,328** in sponsorship funds has been received into the sponsorship fund (see Annex B).

12. The ATT Sponsorship Programme sponsored nine (9) delegates to attend the first series of Working Group meetings and the First CSP5 Informal Preparatory Meeting held from 29 January – 01 February 2019. In addition, the ATT Sponsorship programme sponsored one (1) guest speaker. The total cost of sponsoring the nine sponsored delegates and one guest speaker to attend the January meetings was USD 27,386.06. The average cost of sponsoring each delegate was USD 2,738.60. A breakdown of the costs involved is included in Annex C.

13. The ATT Sponsorship Programme sponsored 16 delegates to attend the second series of Working Group meetings and the Second CSP5 Informal Preparatory Meeting held from 02 – 05 April 2019. The total cost of sponsoring the 16 sponsored delegates to attend the April meetings was USD

46,770.03. The average cost of sponsoring each delegate was USD 2,923.13. A breakdown of the costs involved is included in Annex C.

14. As at 26 July 2019, the ATT Sponsorship Programme had approved 32 delegates to attend CSP5 taking place from 26-30 August 2019. The total cost of sponsoring the 32 delegates to attend CSP5 will not be known until after the Conference, however it is estimated to be USD 110,000.

#### **SPONSORSHIP APPLICATIONS FOR THE CSP5 CYCLE**

15. The ATT Secretariat issued its first call for applications to the sponsorship programme for the CSP5 cycle on 22 November 2018. The call for applications was issued to States, who were invited to apply for any and all of the meetings taking place in the CSP5 cycle by 07 December 2018. The ATT Secretariat issued its second call for applications to the sponsorship programme on 04 February 2019 with a deadline of 12 February 2019. The ATT Secretariat issued its third and final call for applications to the sponsorship programme on 13 May 2019 with a deadline of 03 June 2019.

16. As part of the application process, States were asked to nominate one delegate only to be sponsored and were required to submit a completed application form, a *note verbale* confirming the nomination of the delegate, and a copy of the passport for the nominated delegate.

17. By the deadline for each of the CSP5 cycle meetings, the ATT Secretariat received a total of 26 applications to attend the first series of meetings (taking place from 29 January to 01 February 2019); 38 applications to attend the second series of meetings (taking place from 02 to 05 April 2019); and 48 applications to attend CSP5 (taking place from 26 to 30 August 2019).

18. The same process for selecting applicants for approval for sponsorship was applied for each round. The selection process involved the following steps: first, the ATT Secretariat prepared a shortlist of applicants who were *eligible* to receive sponsorship (i.e. has complied with the application requirements and submitted their applications by the relevant deadline). Second, the ATT Secretariat applied the selection criteria contained in Annex A of the Draft Administrative Guidelines that were being provisionally applied in accordance with the Management committee decision made on 18 November 2018, to the list of eligible applicants to establish a shortlist of applicants *recommended* for sponsorship. Third, the ATT Secretariat presented the shortlist of applicants recommended for sponsorship to the Management Committee for its consideration and approval. Fourth, following deliberations and approval of a shortlist of applicants by the Management Committee, the ATT Secretariat communicated the final list to all donors to ensure the list of delegates to be sponsored was consistent with donors' conditionalities. The ATT Secretariat then communicated the outcomes of the selection process to all applicants and commenced logistical preparations for their attendance at the respective meetings.

#### **SUPPORT TO SPONSORED DELEGATES**

19. In addition to arranging flights, accommodation and *per diems*, as contemplated in the financial protocols associated with the Draft Administrative Guidelines, the ATT Secretariat also held a briefing for sponsored delegates for half a day on the day before the First CSP5 Preparatory Meeting (28 January 2019) and the Second CSP5 Preparatory Meeting (01 April 2019). The briefing provided an opportunity to meet and greet the sponsored delegates in advance of the meetings; gave an overview of the sponsorship programme and what delegates' entitlements are under the programme; gave the sponsored delegates an overview of the Treaty and the work ahead for the approaching meeting; provided them with an overview of the Voluntary Trust Fund and its application process; allowed the delegates to meet with the President of the Conference; and ensured delegates received their full *per*

*diems* at the beginning of the week as well as a package of all documents pertaining to the approaching meeting.

## OVERVIEW OF SPONSORED DELEGATES

20. The criteria applied to the selection of applicants for sponsorship included consideration of OECD-DAC status; equitable regional representation; gender equality considerations; ATT status; and expertise and role of applicant, including whether the applicant State is a member or office-holder of any committee or subsidiary body. An analysis of these considerations is provided below and an overview comparing the number of applicants within each category compared to the number of sponsored delegates within each category is provided in Annex D.

### OECD-DAC analysis

21. Most of the States that received sponsorship to attend meetings during the CSP5 cycle appear on the DAC List of ODA Recipients for 2018-2020. Fifteen (15) of the 47 States that received sponsorship are LDCs (32%); 10 are LMIC&T (21%); 17 are UMIC&T (36%); and the remaining five (5) are not on the DAC list (11%).

### Regional overview

Chart 1. States that Received Sponsorship: by Region

22. Chart 1 provides an overview of all delegates that were sponsored to attend meetings during the CSP5 cycle according to region. **A total of 57 delegates from 47 States<sup>1</sup> received sponsorship from the ATT Sponsorship Programme in the CSP5 cycle.** As illustrated by Chart 1, 20 of those States are from Africa (43%); 16 (34%) are from the Americas; five (5) (11%) are from Asia; two (2) (4%) are from Europe; and four (4) (8%) are from Oceania.

<sup>1</sup> Some States were sponsored to attend more than one meeting in the CSP5 cycle.

**ATT status**

Chart 2. States that Received Sponsorship: by ATT Status

23. Chart 2 illustrates that of the 47 States that received sponsorship funding to attend meetings during the CSP5 cycle, 41 are States Parties to the ATT (87%); five (5) are Signatories (11%) and only one (1) has not yet joined the Treaty (2%).

**Gender considerations**

24. Of the 57 representatives that received sponsorship during the CSP5 cycle, 32 are men (56%) and 25 are women (44%).

**Role of applicant**

25. Two of the delegates sponsored to attend all three of the CSP5 meetings – Mr. Leonard Tettey of Ghana and Ms. Samantha Allen of Jamaica – were facilitators of Sub-Working Groups of the Working Group on Effective Implementation. In addition, the Co-chair of the Working Group on Transparency and Reporting (WGTR) – Ms. Katya Cortés Martínez of Mexico – was sponsored to attend the second WGTR meeting in April 2019.

**CONCLUSION**

26. In summary, in its first year of operation under the ATT Secretariat, the ATT Sponsorship Programme received a total of USD 192,328 in voluntary contributions and will have spent an estimated USD 185,000 sponsoring 57 delegates from 47 States to participate in the CSP5 cycle of meetings.

27. A set of Draft Administrative Guidelines for the ATT Sponsorship Programme was developed for consideration/adoption by CSP5.

**Selection Criteria**

1. The following considerations shall apply to the selection of representatives from States on the OECD-DAC list as ODA recipients (as well as small economy States, including but not limited to small island states, not listed on the OECD-DAC list):
  - Equitable regional representation considerations;
  - Gender equality considerations, taking efforts to ensure the overall equal representation of women and men in ATT meetings;

  - Expertise and role of applicant, including whether the applicant State is a member or office-holder of any committee or subsidiary body.
2. If there are insufficient funds available to sponsor all the applicants that are eligible to be selected for sponsorship following the application of the above considerations, priority will be given to applicants from States who are in compliance with their financial obligations under the ATT.
